

NOVEMBER NEWS

From Your Director... Laura Bennett

Did you know that 2023 is the 50th Anniversary of Belle Fourche Senior Citizens Center? The 1970s were the booming years of activity for the senior center. There were numerous newspaper articles about the members of the senior center and their activities throughout the community. In the 1980s the center's activity came to a screeching halt and it almost dissolved. Mid 90s and into the early years of the 2000s there, again, was new activity. In 2005 there was another shift to inactivity and by 2018 the senior center was again quiet with very little activity.

November 1, 2018: My first day as Executive Director of Belle Fourche Senior Citizens Center (now called Belle Silver Lining). I introduced myself to the cribbage players and, to be honest, wasn't received very warmly. As I walked away from the table of card players, one of them said, "Director? What the *** do we need with a Director? There isn't anything going on here." I went back to my office, cried my eyes out then wrote the card player's comment on a piece of paper, put the paper in an envelope, sealed the envelope, and put it in the top drawer of my desk. Over the past 5 years, when I was discouraged and wanted to quit or thought that we were not accomplishing

enough or doing enough fast enough, I would take that envelope out of my desk as a reminder of where we started. Then I would take a look around at the hustle and bustle in the building and see the faces of those that have been touched in one way or another by an outreach of Belle Silver Lining....A safe place to lay your burdens down, help each other just by being there, enjoy the company of your peers, get a meal, have your toenails clipped, listen to music from a visiting musician, a trusted place to ask for help, visit with the kiddos from a 4H group who came to practice giving presentations... We've come a long way. Just recently, I gave the envelope that has been in my drawer, unopened for 5 years now, to the card player whose comment fueled the vision for our Board of Directors, Myself, and our Belle Silver Lining Family. After Cowboy (my nickname to him) opened the envelope and read the short writing on the paper, we enjoyed a good laughed together! Cowboy's comment will continue to move Belle Silver Lining forward to increase and improve our service to our community.

Thank you Belle Silver Lining Family and all who have been a part of making our Senior Center a true Silver Lining to our Community!!!

And thank you, My Dear Cowboy, for being my friend and encourager for these past five years! Love, Your Chief.

Full payment due by
November 28th
Call or stop by Belle Silver Lining to

check credit/debit cards accepted.

Join your friends on a fun bus trip and see the decorated trees in Pierre. Trip includes transportation to and from, snacks on the bus, time at Christmas at the Capitol, lunch, taxes and gratuities.

The bus ride won't seem very long with two leg stretching stops, some Bus Bingo and other games (with prizes) and maybe even a bit of singing some good ole Christmas tunes.

We will be starting our visit to Pierre at our State Capitol to experience the "magic" of Christmas at the Capitol. This year's theme is Winter Wonderland. There will be plenty of time to view all of the trees, listen to the St. Thomas More Band, Choir, & Orchestra, take a leisurely tour of the building and catch up on some history. We'll then head to Redrossa Italian Grille for a late lunch. (don't worry... we'll have snacks to hold us over)

Depart 8:00am and return between 6 and 7:30pm

If trip is cancelled due to weather, your payment will be refunded in a timely manner.
