Hello again.....

We are delighted you're staying with us. We are still working out some kinks in running Belle Silver Lining (BSL), we have come quite a ways in the last 3 months. We have tried a few different things, while some turned out good and others were not so good. We just had our April movie night and it was a great time, good attendance, popcorn, root beer floats and the (con't page 2)

(con't from page 1) the movie was Hang 'Em High. Suggestions are welcome for movies, just drop it in the suggestion box or let a board member know. Speaking of suggestions if you have concerns or suggestions please put them in the suggestion box.

You're probably going to hear alot about money. Providing healthy meals is very important to us and as you all know food is so darn expensive. We are trying to keep our costs undercontrol but it is difficult. The board is trying their best.

Our Thrift Store is a wonderful place to shop. If you like quilts we have many quilts for sale come and check them out. Also don't miss the quilt drawing that is happening - tickets available at BSL. For the time being the Thrift Store is closed on Monday's so we can restock.

We received a grant to purchase new tables and chairs for the card players. The tables and chairs are here and all set up. Additionally a grant was received to purchase an AED (Automated External Defibrillator) for the center. The AED will be purchased in May.

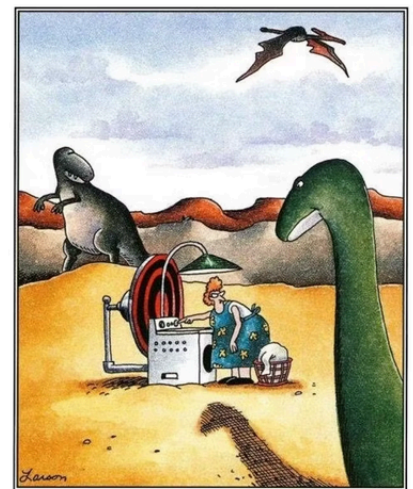

We don't have a fulltime person in the office - Janelle and Rita take turns being in the office when they aren't working. If there is something you need just leave them a note and they will take care of it as soon as they can.

BSL is a family - we are all in this together.

Silver Lining Spotlight

This month we get to learn a little bit about Rita Bolwitt who is our current Vice President on the Board.

Tell us a little about yourself: I am a Nebraskan Cornhusker, I grew up on a farm in northern Nebraska. I loved working in the hayfield and working around the animals. I graduated with a degree in Dental Hygiene and moved to SD in 1980. I have lived in Belle Fourche since 1990 and have been employed with Jackson Dental for over 33 years. I have felt blessed to be part of a career that I love. I love to garden and spend time outdoors, if it's nice outside I love walking and hiking with my dog Honey. I love Jesus!

Tell us a little about your family: I have 2 grown children. Lyndsay, my daughter, lives in Spearfish, works as the Human Resource director at Pioneer Bank; has 2 boys and 1 on the way at the end of April. I love following my grandboy's sporting events which include football, soccer and basketball. My son Erich is active duty Army, Special Forces and as I write this he will be back in the states from deployment in 2 days and will deploy again in August. I am very proud of the wonderful adults my kids have become...they make me very proud!

What made you join Belle Silver Lining? I was asked by a friend who was on the board and she thought I would like to get involved as a board member. I had lost both of my parents who were in their 90s and saw through them how the elderly many times loose their family members and friends and end up alone and needing companionship. I wanted to be a part of making sure that the seniors in our community have a safe place to go for companionship and socialization.

Favorite part of being a member at BSL? Being on the Board its very rewarding knowing we are making a difference. It's a challenge for me since I have never been a part of running an organization/business. I have enjoyed stepping outside my comfort zone and learning the ropes of a non-profit organization.

How long have you been volunteering/working here and what do you enjoy most? I think I started at the end of 2019 as a board member. I enjoy the laughter and sounds of people enjoying each others company when I am sitting in the front office working...it makes me smile and know that its all worthwhile!

Some favorites....

Favorite Ice Cream Flavor - plain ole vanilla

Dream Vacation - Israel or a cabin in the mountains

Favorite Sports Team - Nebraska Cornhuskers

Favorite Book - Bible

Favorite Song - I Can Only Imagine by Mercy Me

Favorite Meal served at BSL - Meat Loaf but I work and don't get to eat there a lot

One item you can't live without? my Bible/sunshine

Favorite places you have traveled? The mountains

Anything else to share?? I would like the members to know that the Board is working hard for the Center, I know there are concerns but we are doing our best to keep the Center alive and growing. Yes, there will be some changes...change is good, give us some grace as we are learning and growing ourselves. We are VERY determined to make Belle Silver Lining a thriving place. Let's learn from each other in the process.
